Do you have access for an articulated lorry? Yes / No

If No, please state size or weight on vehicle in case of restrictions en-route:

Please note we are not responsible for off-loading, please ensure sufficient manpower or forklifts are available. Failure to off load will result in an aborted delivery which will result in storage and additional delivery charges. Storage charges are 1% of the order value per week.

The following vehicle types are available at an extra cost subject to availability. Price on application

Tail lift	Moffett	Hi-Ab
-----------	---------	-------

Are there any parking issues, access restrictions or road closures required to unload vehicle? Yes / No

If Yes please state:.....

What are the site opening hours and do you have any time restrictions for goods being delivered to site?

Does your site have specific H&S rules or procedures (PPE)? Yes / No

Please state if yes.....

Please note that goods are delivered individually wrapped and supplied separately as standard. We do reserve the right to palletise should we feel it necessary to delivery safely and damage free without prior notice.

Do you require the frames on pallets at £55+vat/pallet? (4/5 frames on average) Yes / No

If the frames are required to go to storage £55/pallet (4/5 frames on average) will be charged. This is a mandatory charge required by our storage facility. Goods that cannot be accepted on site at the due delivery date or there is a problem with payment will be put in storage. Storage, insurance and delivery will also be charged.

Do you required the sashed/doors to be sent loose? Please note that this would be at an additional cost if not already included. BiFolding Doors are sent loose as standard. Yes / No

Balance payments due 7 days prior to delivery, if delivery delayed by site extra costs will be incurred as stated, if the balance payment is not received by the due date. Interest charge as stated in T&C's.
